Who We are

The Coats Company is a leading, global manufacturer and distributor of automotive service equipment and solutions. Based in Nashville, TN, we work with shops and dealerships around the world.

What We Do

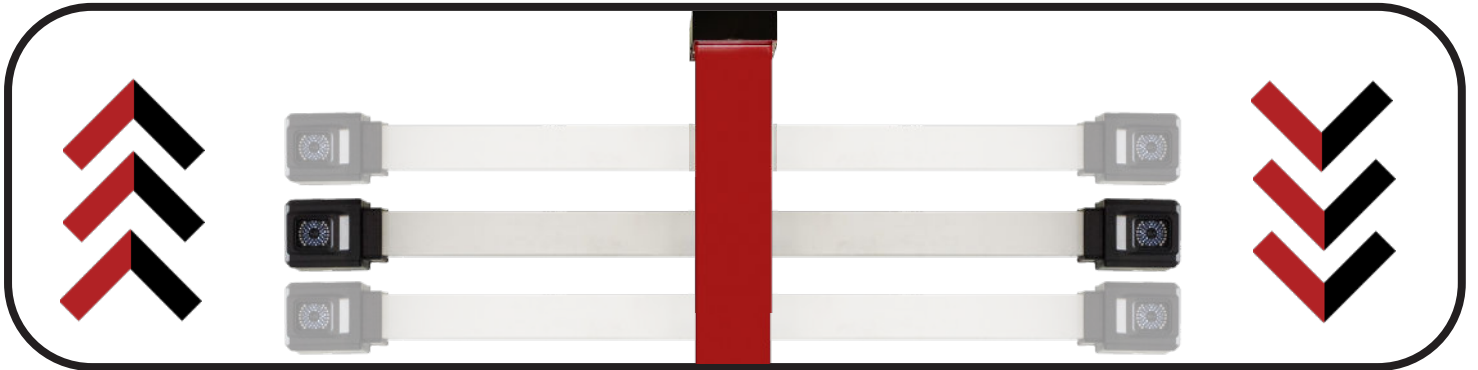

- ✓ Maximize your uptime with our durable & reliable products
- ✓ Improve productivity with the fastest floor to floor times
- ✓ Provide easy to use equipment and solutions to our customers

Why Coats

- ✓ **Legacy** - For over 75 years, Coats has been trusted by shops and dealers across the country
- ✓ **Reliability** - Customer and technical service when you need it most
- ✓ **Profitability** - Our products make your shop or dealership more efficient and profitable

READY TO PAIR WITH ANY ALIGNMENT RACK

ALIGN AT ANY HEIGHT Our CWA6500 uses an auto-tracking camera system to automatically adjust to the height you want to align the vehicle at. Camera beam is adjusted manually on our CWA6000.

COATS SCISSOR ALIGNMENT LIFTS

We offer surface and flush mount options.

Shown #4TS14OSAR1

✓ Scissor Rack and Pinion Style Gear Rack

Built for accurate leveling and precise measurements.

✓ Open Runway Slots under Rear Slip Plates

Allows liquid and debris to filter down, preventing corrosion.

✓ Wall or Floor Mount Console

Flexible Options to Fit Your Needs

COATS 4-POST ALIGNMENT LIFTS

We offer open and closed front options and standard and extended lengths.

Shown #4T415OSAR1

✓ Machined Pulleys and Cables

Designed to meet the demand of fast-paced shops.

✓ Double Wall Deck with Z Rail

Reinforced decks prevent unwanted movements during alignment.

✓ Rolling Jacks

Designed with multiple included adapters.

* Standard and Heavy-Duty models available in various capacities, pictured is #4TRJ7000HD
