

Maxx Tire Changers

 Maxx Series

Designed for relentless use in high-demand environments, Maxx Tire Changers help you standardize your shop on equipment that's made to last — because when your technology works harder, your shop runs smarter.

Power Through Tough Jobs Day After Day

Engineered and Built to do the Job at Hand

Across our tire changer portfolio regardless of tire size, weight, or difficulty, all tires take the same amount of time to change with Maxx Tire Changers because your techs apply the same process every time. Plus, it's designed and built in the US.

Tested with over

**250,000 TIRE
CHANGING CYCLES**

Designed for Serviceability

Through Coats Connect Service, we have the industry's only service network staffed coasts to coast by factory —trained technicians and our central dispatch team manages every job from call to completion. Coats OEM parts are designed to match our systems exactly to ensure integrity, accelerated pace, and quality of repairs.

OEM PARTS

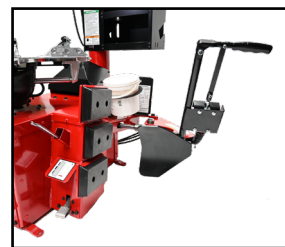

Available exclusively through Coats

Engineered For Relentless Use

Dual Nozzle Bead Sealer

Two powerful jets concentrate air flow to quickly seat stiff beads — a reliable bead sealing design with fewer moving parts and hoses and thus, less maintenance.

Hand and Foot Bead Loosener

Your techs can choose their preferred bead loosening method. Enjoy the speed of foot pedal or the precision of hand operated control.

*Additional for Maxx 50 & 70.

Maxx Tire Changer Wheel Lift

Our Maxx Wheel Lift makes even the heaviest assembly easy to manage. Lifts to tabletop height of 29" with speed and ease. It can support wheel assemblies up to 150lbs at 150PSI and is operated via an easy-to-use foot pedal.

150+ lbs
lifting capability

Lifts to a table-top height of **29"**

Engineered for relentless use

Durable, serviceable, with features that make changing tires on difficult assemblies easier and on standard assemblies faster, so your shop's throughput for tire changes remain high and customers wait time remain low.

Your techs feel as if the machine is working for them, not against them.

Tire Changer Only
